Chang Jung Christian University has established strong ties with more than 50 internationally well-known partner colleges and universities. Through these ties, we can provide double degrees, exchange students, offer international internships, summer school programs and other learning opportunities. By means of these offerings, we both provide an international academic environment and build an international-friendly campus.

以二仁溪特色發展的水岸大學

The Er-Ren River at the edge of our campus gives the school a water-view.

長榮大學復育二仁溪，讓毗鄰校區的二仁溪生態復，深獲國際知名保育學者珍古德博士肯定。
 Chang Jung Christian University has been conserving and restoring the ecology of the Er-Ren River. The internationally well-known environmentalist, Professor Jane Goodall has recognized our efforts and contributions.

全國唯一「長榮大學站」

The CJCU rail station makes us the only university in Taiwan with a dedicated train stop.

連結高鐵台南站、台南火車站及南科站，交通極為便利。
 Trains that stop at CJCU provide connections to the Taiwan High Speed Rail (THSR) station, the downtown Tainan train station, and the Tainan Science and Technology Industrial Park.
